

CABLE RELAY

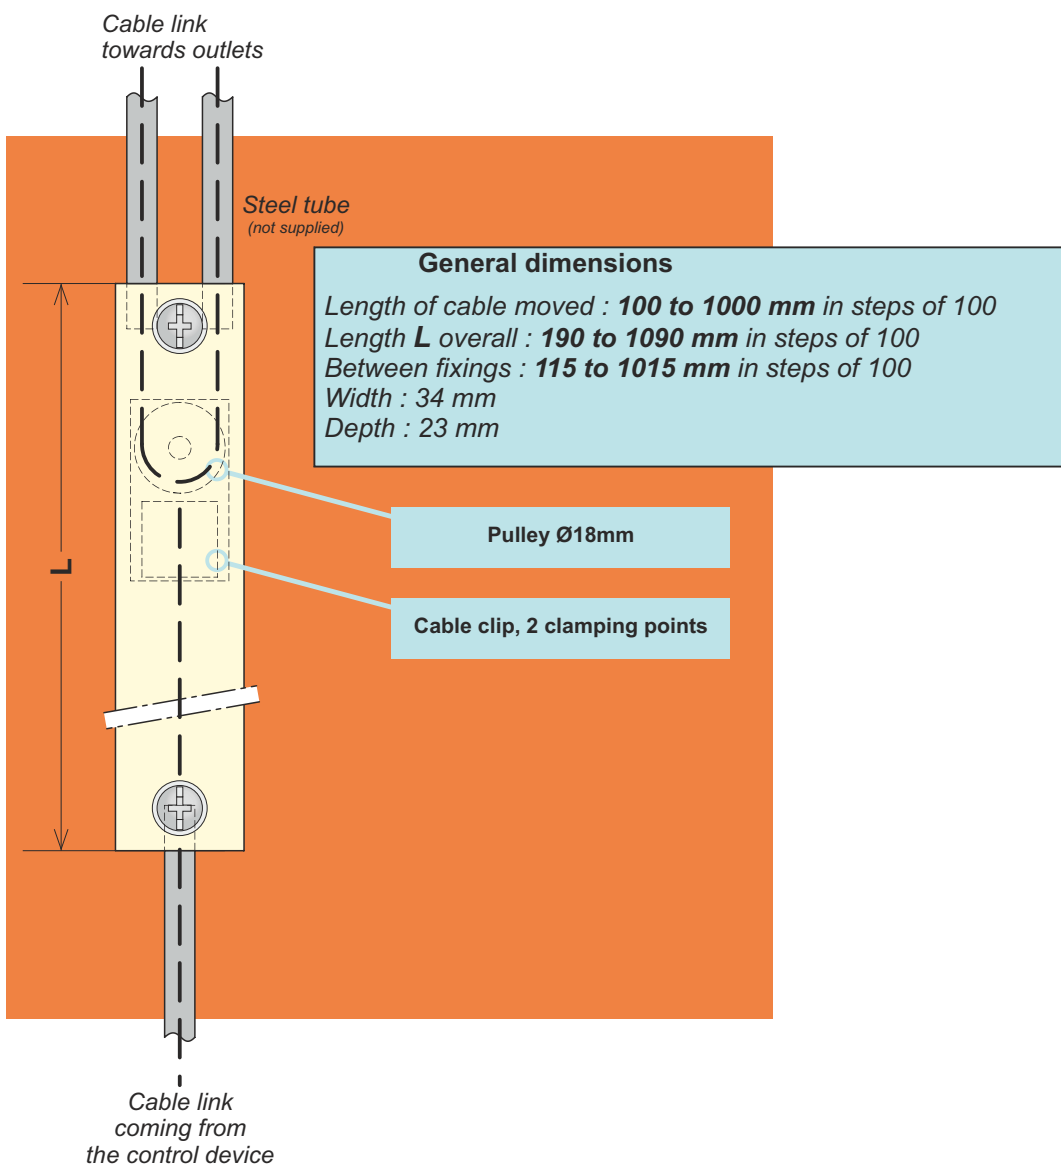

Technical File
T 13507 B

REL0100 to REL1000

Description - General Information

Element which enables the duplication of an order from a cable coming from a winch or from a pull and release, for example.

The cable relay thus enables control of the triggering of 2 smoke exhaust outlets.

Technical Characteristics

Material: Steel, brass.

Protection : Epoxy

Temperature : -20°C to +50°C

Precautions : Stock and install away from bad weather conditions.
